

Imaging & Radiology Price List

Direct Pediatric Care Transparent Pricing

Why We're Different: At Whole Pediatrics Group, you know exactly what imaging will cost before any test is ordered. No surprise bills. No hidden fees. No insurance runaround.

Compare the savings below — our wholesale cash prices versus what you'd typically pay with traditional insurance deductibles.

Plain X-Rays

Imaging Procedure	DPC Cash Price	Insurance Deductible Price	You Save

Extremity (Knee, Hips, Shoulder, etc)	\$500-\$600	\$2,200_-\$2,800	\$1,700-\$2,200

Important Notes:

- DPC cash prices are our direct wholesale costs — no markups
- Insurance deductible prices are estimates based on typical California rates
- Actual insurance costs vary by plan, deductible status, and imaging facility
- We offer transparent pricing at 60-80% off insurance deductible rates
- Final pricing depends on specific area being imaged — we'll provide exact quotes before ordering
